

Planning 1: Overview lectures by distinguished researchers in the world textile engineering

Prof. Shigeru Inui
(Shinshu University
Faculty of Textile Science and
Technology)

1. Lecture topic:
Overview of Virtual Textile and Clothing Simulation

2. Lecture style:
On – demand

Speakers Biography

Shigeru Inui is a professor in the Faculty of Textile Science and Technology at the Shinshu University. He received BS degrees in mechanical engineering from Waseda University, MS degrees in system science from Tokyo Institute of Technology, and Ph.D. degrees in Kansei production system from Shinshu University. Prior to joining Shinshu University, he has worked for National Institute of Advanced Industrial Science and Technology. His current research interests are in the applications of information technology to the field of clothing and textiles.
