

Mr. Nishaan Dookhan

Mr Nishaan Dookhan has been serving the textile industry for the past 20 years. He has significant working experience in several areas of the textile value chain from marketing, R&D, design, quality, lean manufacturing, to finance and operations. He is currently Chief Operations Officer of Tropic Knits Group - CIEL Textile, Mauritius. He is keenly interested in the digital transformation of the textile industry, more specifically the enabling impacts that big data and Artificial Intelligence will have on the sustainable development of the industry.
