

Notice of discontinuation of the paper version of the journal "Journal of Textile Engineering (JTE)"

Editorial Board of *Journal of Textile Engineering* (JTE) in the Textile Machinery Society of Japan will publish JTE only online beginning with the February 2024 issue (Volume 70, Issue 1).

JTE has been published bimonthly in print and then in electronic form (PDF format) on J-Stage. However, in light of the recent global trend toward online journals, we have decided to publish only online (J-Stage) for faster publication and dissemination. We apologize for any inconvenience this may cause to our members and ask for your understanding.

As in the past, the volume number of your paper is left to the discretion of the Editorial Board of the Journal. Members who wish to publish their papers in the paper version of the Journal are encouraged to submit their papers as soon as possible. However, please note that if peer review process takes long, your paper may not be accepted for publication in the paper version.
